Guidelines for care of Animals

It is the responsibility of each exhibitor to care for animals in a manner that is responsible and ethical. Following are some guidelines for the treatment of animals exhibited at the show.

A. Restraining animals

- 1) Animals should be tied or penned in a manner that will not hurt the animal or restrict breathing in any way.
- 2) Animals should be tied so that all four feet are firmly on the ground and they can stand or lie down.
- 3) Animals should be tied so they cannot injure other animals near them.
- 4) Animals unaccustomed to each other should not be penned together.

B. Handling – any type of rough handling which could harm the animals is prohibited. The use of whips, canes and show sticks should be restricted to showing only and then used only to guide the animals, not punish them.

C. Bedding – all animals should have bedding that is dry and clean. Pens should be cleaned regularly to keep the animals clean and comfortable.

D. Feeding and Watering – Animals should be well fed and have access to clean water regularly. Animals not allowed reasonable access to feed and water will be disqualified from the show.

E. Transportation – Animals should be transported in a way that is both safe and considerate of the animal's well-being.

F. Health – It is the responsibility of the exhibitor to provide proper health care for their animals through routine inspection and consultation with health care professionals. The improper or illegal use of drugs or antibiotics is prohibited.

2023 PENNSYLVANIA DEPARTMENT OF AGRICULTURE PENNSYLVANIA FAIRS ANIMAL HEALTH REQUIREMENTS

For Exhibition, Including Commercial Exhibition

This document provides the requirements for the 116 Pennsylvania County and Community Fairs receiving funding from the Commonwealth of Pennsylvania. The management of individual fairs may adopt requirements which are more stringent than those of the Department, and all exhibitors are encouraged to check with the management of each fair in advance to ensure compliance with all requirements.

These requirements are not required for local, county, and district 4-H and FFA exhibitions which are not held in conjunction with a Pennsylvania County and Community Fair receiving funding from the Commonwealth of Pennsylvania, but it is recommended that these requirements be adopted by show management.

These requirements are designed to protect animal health while minimizing the financial impact on youth exhibitors associated with the individual certificates of veterinary inspection (CVI) requirement. Please note that

exhibitors are not required to send the CVI to the department for approval prior to the fair-the CVI may be checked at the fair.

For specified events at the Pennsylvania Farm Show Complex, including the Pennsylvania Farm Show, the Pennsylvania All-American Dairy Show, the Pennsylvania State Junior Dairy Show, the Keystone International Livestock Exposition, the Pennsylvania Fall Holstein Show and the Pennsylvania State 4-H Horse Show, exhibitors will need to consult the 2022 requirements in place for those particular events.

The Pennsylvania Department of Agriculture recommends that animals returning home from fairs be isolated from other members of the herd or flock for 2-4 weeks to help prevent the spread of disease.

In addition to these animal health requirements, the PA Department of Agriculture recommends that exhibitors of all animals, including those for commercial exhibit, discuss the health of their animals, including vaccine recommendations, with a veterinarian on a regular basis.

Dogs for Exhibition:

Requirements:

1. A current rabies vaccination is required for all exhibition dogs three months of age and older. All vaccine label directions must be followed.
2. All rabies-vaccinated dogs must be accompanied by a rabies vaccination certificate. The certificate must contain legible name, contact information, and signature of the veterinarian who administered the vaccine. A copy of the rabies vaccination certificate is acceptable.
3. All animals must be free of infectious and contagious diseases.

Pennsylvania Equine Animals:

Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2023 is required.
2. All animals must be free of infectious and contagious diseases.

4. All equine animals must be test negative for EIA by an official test within the 12 months prior to the opening date of the exhibition. Laboratory test results must accompany each animal to its final destination (a copy of the original lab report is acceptable). Foals less than six months of age accompanied by a dam which meets the above requirements are exempt from EIA testing requirements. If the foal is not accompanied by the dam, a copy of the dam's test results must accompany the foal to its final destination.
5. A current rabies vaccination administered by a licensed veterinarian is required for animals three months of age

and older. However, if a mare was currently vaccinated against rabies when she foaled, the foal is not required to be vaccinated until 6 months of age, with a 2nd vaccination administered 2-4 weeks later. All vaccine label directions must be followed, and all rabies vaccinated equine animals must be accompanied by a rabies vaccination certificate or the vaccination information must be included on the CVI. The certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian's signature. A copy of the original rabies vaccination certificate is acceptable.

BLUE RIBBON APPLE PIE CONTEST

INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2023 EVENT

Each county/local fair is encouraged to conduct a 35th Annual Blue Ribbon Apple Pie Contest at their 2023 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2024 PENNSYLVANIA FARM SHOW.

RULES for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
2. **Entrants may NOT have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2023.**
3. Entire entry must be **made from scratch**. No pre-packaged ingredients may be used (*ex: pre-made mixes, cookie dough, pie crust, frosting, etc.*) **All ingredients and decorations must be edible.**
4. Recipe **must include at least 60% apples in the filling**. It does not need to be a “traditional” two crusted apple pie and it can have a variety of fillings.
5. The entire pie must be submitted for judging in a food safe disposable pie pan. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
6. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 ½” by 11” paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant’s name, address and phone number must be printed on the back side of all the pages. (*All recipes and pies will become the property of the Fair or PA Farm Show and will not be returned.*)
7. Refrigeration is not available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
8. Judging will be based on the following criteria:

Flavor	30 points
Filling: consistency, doneness, moistness & flavor	25 points
Crust: color, flavor, texture doneness	20 points
Overall Appearance	15 points
Creativity	<u>10 points</u>
TOTAL	100 Points

Creativity is essential to a varied competition. Do not limit your contest to a “traditional” two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

The recipe for the pie and pie crust will also need to be submitted when entering at the Pennsylvania Farm Show.

Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2024 PA Farm Show and will receive the Official Certification Form from the PA Fairs Special Baking Contest Committee.

***NOTE:** If an individual has already won 1st place at another fair in 2023 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2024 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.*

First Place Winner is eligible for the 2024 PA Farm Show competition.
