Section II

Each question is to be answered in essay form in typed format (not to exceed 2 paragraphs per question). Please submit each response on a separate page and do NOT include your name within your responses. Each applicant's responses will be assigned a number so you will remain anonymous to the selection committee during the review process. A response to each question is required – each question will be weighted equally. Your responses should allow the selection committee to get to know more about your abilities, qualities and past and present interests (those things that will tell the committee what makes you the unique individual you are).

- 1. What is your affiliation with the Northumberland County Fair and what has it meant to you?**
- 2. Why are you pursuing your chosen field of study?**
- 3. Why do you feel you should be chosen for this scholarship?**

Reminders:

Do NOT include your name within your written responses to each question.

Submit acceptance letter, grades from previous semester or current tuition bill as proof of enrollment.

All applications must be received by Monday, October 2, 2023 in order to be considered for the scholarship.
